Non Communicable Disease Workshop

February 13th & 14th, 2011

Organized by

**The Departments of:
Medicine, Community Medicine & Statistics
Kasturba Medical College, Manipal & Mangalore**

Manipal University, Manipal - 576104

Manipal University in collaboration with the University of Alabama at Birmingham, USA & Madras Diabetes Research Foundation, Chennai is conducting a one day workshop on Non Communicable Disease Research which is partly supported by the US NIH Fogarty International Center Grant.

This program proposes to give an overview of the issues concerning Non Communicable Disease Research with respect to design and conduct.

The workshop will be preceded by a half day meet on 13th February 2011 wherein postgraduates and faculty across specialties will present their research projects done in the field of Non Communicable Diseases.
